MYSORE TOPOGRAPHICAL SURVEY DEPT.

NOTIFICATION.

The 1st September 1884.

In continuation of Notification dated 12th July 1884, the Surveyors of this Department will, during the current month, be working in the Bangalore City (Pettah) and neighbourhood. In order that the necessary measurements may be made, owners and occupants of houses are particularly solicited to afford facilities for access to their lands and compounds to the Surveyors employed upon this duty, who will, on their part, take every precaution that the privacy of dwellings is not invaded and that no damage of any sort is done to property. As the operations must at times be carried along the roads, the public are requested when driving or riding to exercise caution in passing the Surveyors at work, so as to avoid the risk of their horses being frightened or more series accidents happening.
